Falconer School

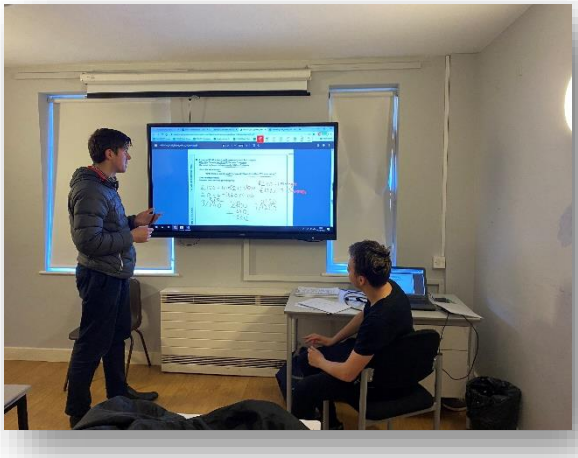
Achieving the extraordinary together

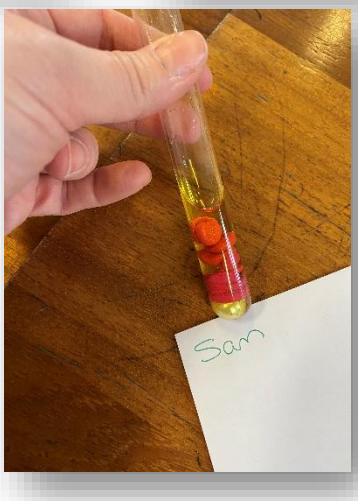
Headteacher's Update Friday 11 March

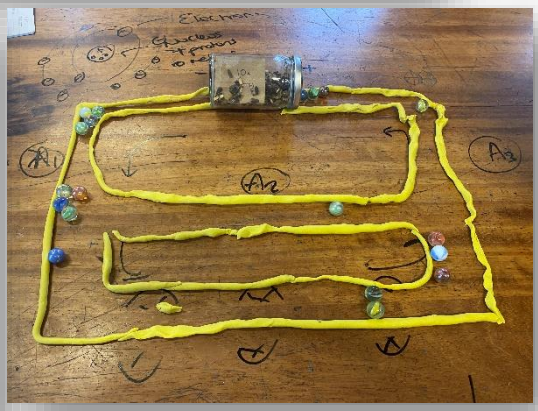
Dear Parents and Carers,

I would like to thank you all for your support and patience during the past week and a half where we have had to ask students to complete remote learning at home whilst we have been short staffed due to a covid outbreak. We will be back to full capacity from Monday with all year groups in school for face to face lessons. We do still ask staff and students to complete lateral flow tests twice a week and to self isolate if they test positive. We have good supplies of lateral flow tests so please do speak to your son's form tutor if you would like a box to be sent home.

Lessons this week







On Friday 18th March we will be raising money for Comic Relief. We will be holding a non-school uniform day and would ask for donations of £1 for students to wear their own clothes on that day. We will also have a cake sale during break time so students should bring in some extra small change if they wish to buy some cakes.

Have a good weekend.

Kind regards

Mrs Ash
Headteacher
