Falconer School

Achieving the extraordinary together

Headteacher's Update

Friday 26 Novmber

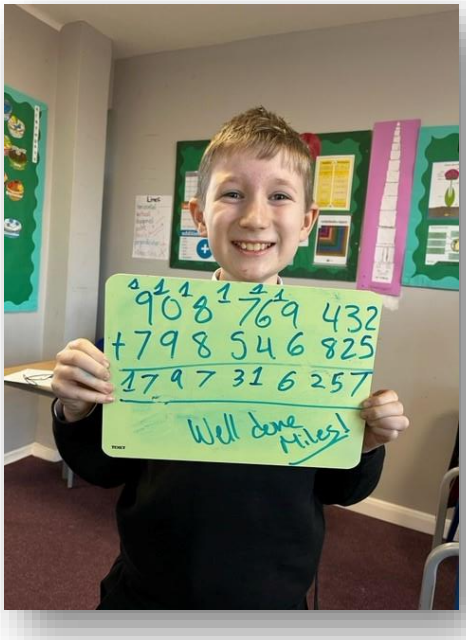
Dear Parents and Carers,

I do hope you are keeping well.

We held our usual Non-school uniform day and cake sale on Friday 19 November in aid of Children in Need. We raised an impressive £120.55!

On Wednesday this week (a couple of days later than planned due to a delivery issue!) we launched the new Magic Breakfast Club. Students have been tucking into cereals, fruit and bagels on arrival in the morning and at breaktime.

Learning this week



Ziggy, our therapy dog, has settled in well and has now started to build a programme of activities with students. Friday afternoon's enrichment session saw Ziggy going for a walk in a local park with a small group of students, supervised by Mr Saich. He is certainly a hit with all the students and we look forward to more fun times as he grows.

Teaching staff from Falconer School were fortunate to be invited to attend a training session with the school's from Bushey St James Trust (Bushey Meads, Little Reddings and Hartsbourne) to share best practice and make connections. The staff enjoyed a variety of workshops delivered by outstanding practitioners from across all 4 schools. I would like to thank Ms Greenwood, Assistant Headteacher, for coordinating the training and Mr Saich, Head of year 8, and Ms Greenwood for leading a workshop on Growth Mindset.

Save the Children
CHRISTMAS JUMPER DAY

On Friday 10th December we will be holding a Christmas Jumper Day in school, raising money for the charity Save the Children. We will be asking students to donate £1 for wearing a Christmas jumper on the day and will again hold a cake sale at breaktime.

The following week we will also be taking the students who indicated their interest to the pantomime held at Watford Palace Theatre. Letters have gone out in the post to the students who signed up.

I do hope you have a good weekend and we look forward to seeing the students on Monday.

Mrs Ash
Headteacher
