Falconer School

Achieving the extraordinary together

Headteacher's Update Friday 8 October

Dear Parents and Carers,

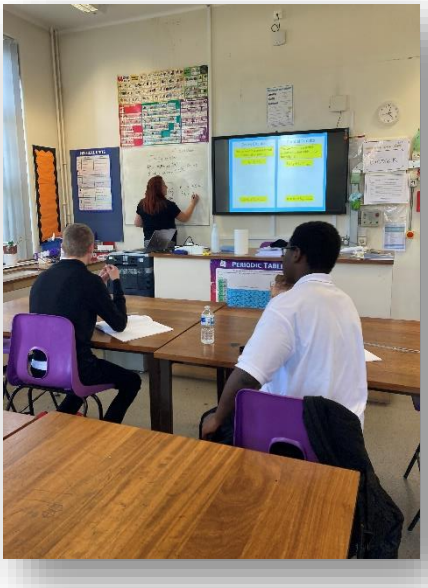
It has been a busy start to the new year with the bioys settling into their new Year groups. On Tuesday 28 September we welcomed the new Year 7 parents and carers into Falconer School to meet with Senior Leaders, have a short tour of the school and to have an informal discussion with the Year 7 Form Tutors. We will be looking to hold more Parent and Carer workshops throughout the year.

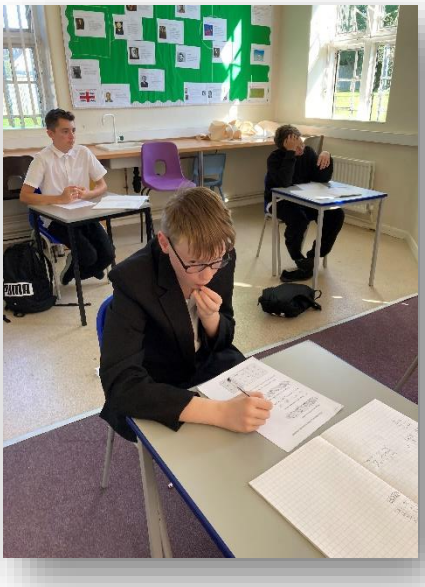
A reminder that **Monday 1st November** is an INSET day for staff so students will not be attending school on that day. We also have the Year 10 and Year 11 Parent and Carer Consultation evening on **Wednesday 3rd November** between 4:00 pm and 6:00 pm, further details will be sent out next week.

School Development

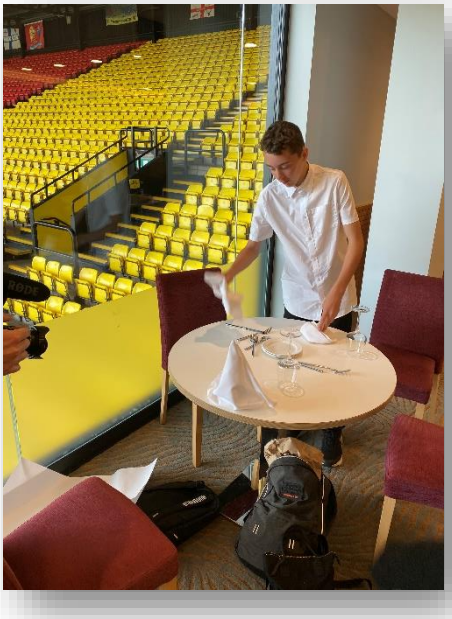
As a school, we are looking to further develop some therapeutic tools throughout the school. The first step on this journey is the addition of two new school rabbits! Some of the students went to the pet shop to purchase the equipment and the rabbits and learn how to care for them. The rabbits, named Jubilee and Bakerloo, have settled into their new home well and are enjoying being cared for by students and staff.

Learning at Falconer





A small group of students were lucky enough to visit Watford Football Club last week as part of the Watford Inspires programme. They had a great day learning about careers related to football and the surrounding areas - hospitality and media. They also did a session on personality types and resilience and ended with a stadium tour. The club are now visiting the school once a week to continue their work with a selection of boys.



Have a lovely weekend.

Mrs Ash
