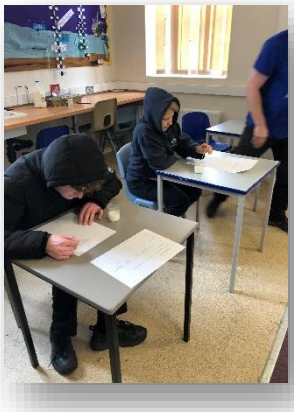
Assistant Headteacher's Ms Greenwood and Ms Marsala delivered assemblies this week with the theme of celebration and rewards. Certificates and prizes were given for Role of Honour subject awards and for excellent/improved attendance to school.

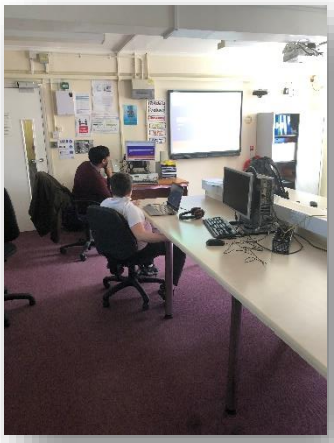
Ms Vora and Mr Patel have been working with a group of students to make links with children in Kenya through a PenPal programme. So far 6 boys have written initial letters to post – we look forward to the developing links.

Following the success of the contribution Falconer School made to the local community church project for Remembrance and Christmas, we were asked by Father Tim Vickers to make a small garden for St James Church for Easter. Mr Dennemont worked with students to create the garden and, along with Ms Davies, delivered it safely to the church. The students were great ambassdors for the school and I would like to thank them and Mr Dennemont for their work.

I was able to visit more exciting lessons this week to see the wonderful learning taking place:



Year 8 Science and Geography



Year 7 IT, Music and PE

Year 10 Science

I hope you and your families have a good Easter break and I look forward to the start of the Summer term on Tuesday 13th April.

Mrs Ash
