Falconer School

Achieving the extraordinary together

Headteacher's Weekly Blog

Friday 12th March

Dear Parents and Carers,

I cannot quite believe how quickly this term is going! We have had another exciting week as we have celebrated Science Week in school. There have been some exciting activities in Science, form time activities and assemblies led by Ms Greenwood, Assistant Headteacher. A special thank you is also extended to Mr Board for helping to coordinate all the activities.

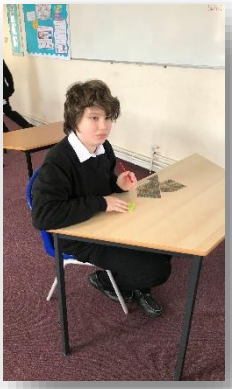
Science Week Assembly led by Ms Greenwood, Assistant Headteacher

Year 8 using the gliders they made for Science Week

The words of the day were all linked to Science this week – it was great to heara Year 8 student use the word climate in his English lesson to earn extra reward points! The words for next week are:

Monday - frustration
Tuesday – over-whelmed
Wednesday - envious
Thursday - fulfilled
Friday – inspire

As ever, it has been lovely to see the learning taking place in lessons, here is a small snapshot of some of the fantastic lessons this week. We have also started offering toast again as breafast offer to all students in the mornings – a great way to start the day!



Have a good weekend.

Mrs Ash

Interim Headteacher
