Falconer School

Achieving the extraordinary together

Headteacher's Weekly Blog Friday 5th February

Dear Parents and Carers,

This week we have hosted a visit from James Ottery, Health and Safety lead from Hertfordshire County Council. Within his role James has been visiting schools within Hertfordshire to see the Covid-19 safety protocols in place and make any suggestions for improvements. I am pleased to say that James was satisfied with all the measures in place to keep both staff and students as safe as possible – I would like to thank the staff for their ongoing hard work during these challenging times.

We are now in a position with our staffing levels to be able to fully open to all students as of Monday 8th February. As all our students are deemed to be in the vulnerable category due to holding an EHCP they are permitted to be in school. I would therefore encourage all parents and carers to send their children into school as usual.

It has been a busy week of lessons in school with the following images giving a small flavour of the learning atmosphere around the site:

KS4 Science

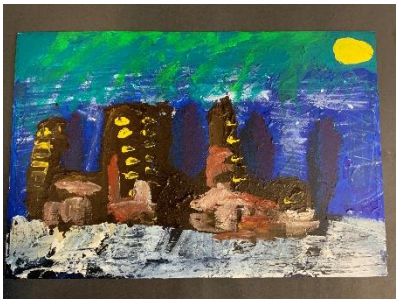
Year 7 Maths

Year 8 Maths

Year 9 Art

Year 9 Science

Year 8 Humanities



KS4 Art Work

I am so proud of what the boys have achieved this week! Do have a lovely weekend, I hope you and your families keep well.

Mrs Ash

Interim Headteacher
