Falconer School

Achieving the extraordinary together

Headteacher's Weekly Blog — Friday 29th January

Dear Parents and Carers,

As we approach the end of January, with the lockdown set to continue, I am so grateful to the dedicated staff at Falconer School for the engaging lessons they are delivering in school, providing work for those learning remotely and making daily contact with families to check on their well-being.

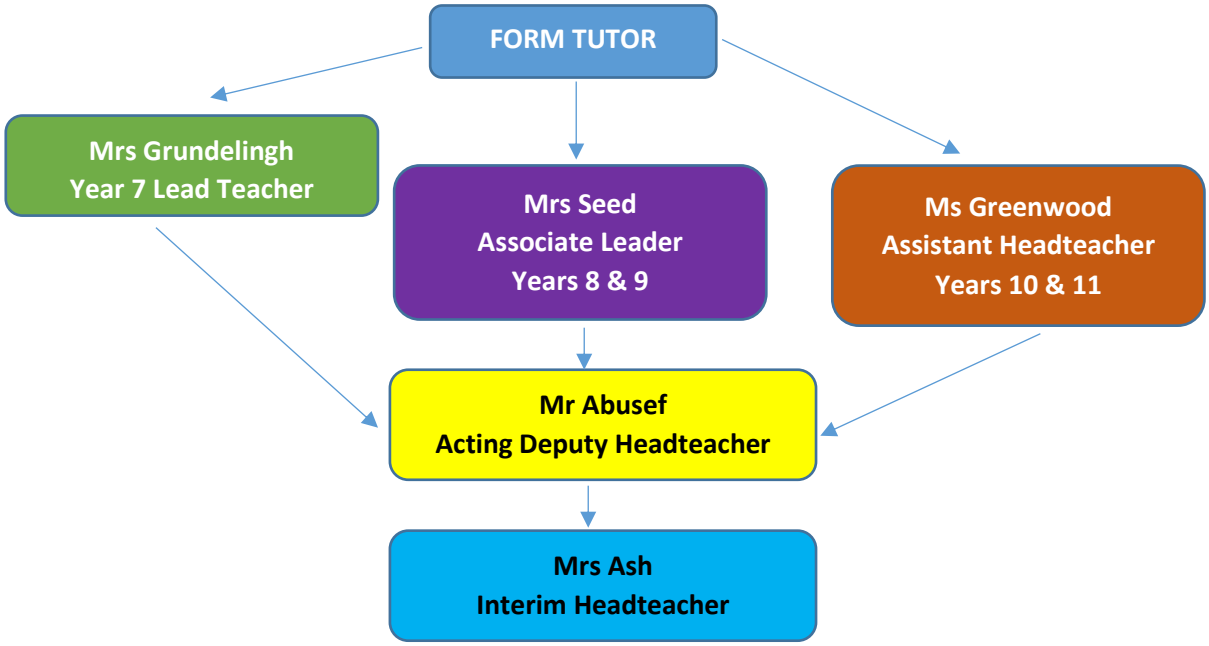
We continue to steadily increase the number of students we are able to have safely in school each week and I would urge you to send your child into school if they have been invited in for a place. We hope to have the full school open and running as normal by February half term.

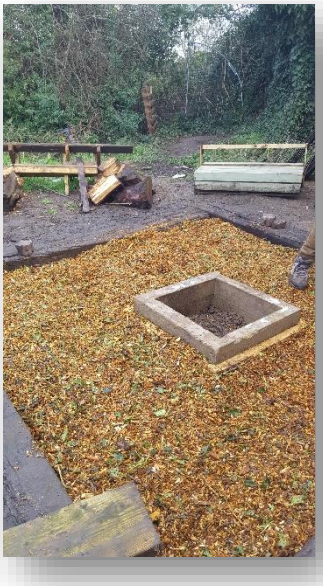
As a reminder, I would like to encourage all parents who are Key Workers to send their child into school. For the full list of roles that are recognised as Key Worker roles please follow this link: https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision

Do speak to your child's form tutor if you are a Key Worker and would like your child to attend school or if they are having difficulties accessing remote learning.

Within any busy school environment it can be difficult to know who is the best person to speak to regarding an issue or to provide us with information. If you have a concern you would like to share with the school regarding your son your first point of contact needs to be the Form Tutor. They can be contacted via the school email or telephone number marking it for their attention. Please do allow 24 hours for a response and note that teachers will not be responding to emails over weekends.

Please see the flow chart for communication which should be followed.

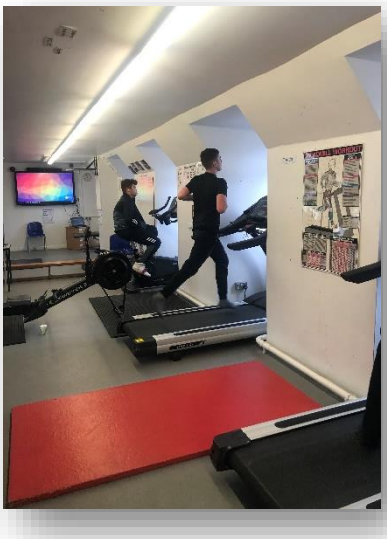




Following the donation of wood chippings last week some of the boys have been helping to develop the Outdoor Education area – the steady transformation of the zone has been fantastic to see.

Year 8 English have been looking at the gothic genre. Sam produced some fantastic work filling his 'gothic' raven with gothic vocabulary.

It was lovely to end the week with a visit to Year 10 and 11 in their PE lesson. They were certainly making me feel tired with the efforts they were putting in on the gym equipment!



Do have a lovely weekend, I hope you and your families keep well.

Mrs Ash

Interim Headteacher
