Falconer School

Achieving the extraordinary together

Headteacher's Weekly Blog

Friday 22nd January

Dear Parents and Carers,

It has been another busy week for students in school and for students working remotely from home! It has been lovely to hear students engaging in virtual form times in the mornings and see some of students in school produce some great work. Harry in Year 9 did some lovely art work with spray paint in Mr Dennemont's lesson this week.

Mr Holop, our Forest School teacher seized an opportunity this week when he spotted some tree surgeons working down Falconer Road. They kindly donated their wood chippings and some large logs from their work taking down a couple of big trees which Mr Holop will be using to enhance the outdoor teaching environment for the students. A big thank you to the company for their donation and to Mr Holop for his quick thinking!

As a reminder, I would like to encourage all parents who are Key Workers to send their child into school. For the full list of roles that are recognised as Key Worker roles please follow this link: https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision

Do speak to your child's form tutor if you are a Key Worker and would like your child to attend school or if they are having difficulties accessing remote learning.

Levels of staff absence are improving which has allowed us to offer places in school to more of our students and we hope to keep steadily increasing the number of students who are accessing their education in school.

Do have a lovely weekend, I hope you and your families keep well.

Mrs Ash

Interim Headteacher
