The Year 10 art work has also progressed over the past few weeks where they have been studying the South African portrait artist Mustafa Maluka. It has involved them creating acrylic portraits where they ad layers and layers of paint every week. Their work is incredibly striking and an inspiration to the younger students. A huge well done to Harrison, Joel, Nick and Riley for their work.

It was a joy to visit a Year 7 music lesson on Thursday afternoon to hear a wonderful arrangements with the Year 7 boys drumming, singing and playing the guitar as a group. We are really hoping that, by the Summer Term, Covid-19 restrictions will be lifted so we are able to invite parents and carers in to watch a concert.

Applications for the Student Council closed today with a large number of boys putting their names forward to take part. Mrs Greenwood, Assistant Headteacher, will be reading the letters of application carefully over the next week and will let the students know if they were successful in due course.

I hope you all have a lovely weekend.

Mrs Ash
