# Falconer School

*Achieving the Extraordinary Together*

Headteacher: Mrs S Ash

20 January 2022

Dear Parents and Carers,

We currently have a few positive Covid cases within Falconer School – the majority of these are asymptomatic which highlights the importance of regular self-testing.

Students who are a close contact with a positive Covid case do not need to self-isolate but should participate in daily LFT tests. Form tutors and Heads of Year will contact parents and carers to let them know if they have been in close contact with a positive case.

We have a good stock of LFT tests so please ask your son's form tutor if you need any to be sent home.

If your son does test positive please ensure he self isolates immediately and provide the school with the following information:

- A picture of the positive LFT test or confirmation NHS text
- Vaccination status (dates of first and second vaccine if applicable)
- If they have any symptoms, what the symptoms are and the date the symptoms started
- If any other members of the household have tested positive

Many thanks for your support.

Mrs Ash
